Welcome to Koza Family Dental Care! We are committed to providing you with the best possible preventative, restorative, and ongoing dental care.

In order to establish your new patient chart, we ask that you complete the following forms and bring them with you on your first visit:

- Patient and Insurance Information
- Financial Policy and Patient Release
- Medical History
- Dental History

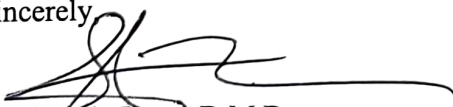

If you need assistance completing these forms, please let the receptionist know when you arrive. Accurate and complete information will ensure the timely and efficient processing of claims on your behalf. Please be sure to bring your insurance card(s) and any insurance forms with you. If you have co-pay or a portion owing we will expect your payment at the time of service.

If you have current x-rays from another dental office, please request that they be sent over to our office, via regular mail or email. This will assist us in evaluating your dental health and diagnosing the best treatment for you.

If you have any questions concerning our office policies or the services we provide, please do not hesitate to call.

Again, welcome to our office. We look forward to meeting you and helping you maintain your dental health.

Sincerely,

Stephen A. Koza, D.M.D.
